All future construction within the planning area boundary prescribed in the Master Plan shall also conform to the Kerala Municipality Building Rules in force, the Coastal Zone Regulations and other statutes applicable.

(2) For the implementation and enforcement of the proposals envisaged in the Development Plan, areas have been zoned under various uses such as Agriculture (Land as defined in Schedule I); Commercial, Public and Semi-public, Residential-I; Residential-II (Land as defined in Schedule III), Industrial, Existing Planned Residential, Mixed use, Medical College Campus, T.B. Sanatorium campus, Air Force Command Area; Area for the expansion of Medical College, Regional Cancer Centre and Sree Chitra Tirunal Institute of Medical Sciences and Technology (Land as defined in Schedule II) etc. The respective zones are shown in the accompanying Map using suitable colour notations. Details regarding the nature of uses namely "Permitted", "Restricted" and "Prohibited" in each zones are enlisted serially as 6a to 6k in the Table below.

(3) "Uses Permitted" in a zone cover the uses that can be normally accommodated in the relevant zone. In some cases it may be possible to permit some other uses which are not likely to affect the quality and environment in a zone specified for the particular use. Such cases have to be individually studied based on the performance, characteristics and special locational factors. Such cases which come under this category are classified as "Uses Restricted", "Uses Prohibited" enlists the various objectionable uses in each zone, which shall not be permitted under normal circumstances.

(4) Zoning regulations are not intended to prohibit existing uses that have been lawfully established prior to the enforcement of these regulations. They are essentially intended to help the competent authority in decisions regarding granting or refusal of planning permissions for land use, conversions and construction of buildings/structures or any other matter specifically mentioned in these regulations.

(5) Existing compatible and authorized uses including existing areas and structures of archaeological importance, agricultural uses and religious uses may be permitted to continue in all zones.

### Explanatory Note

(This does not form part of the notification, but is intended to indicate its general purport.)

Government have accorded sanction for the Trivandrum Medical College Area Development Scheme, vide notification issued under G.O.(Ms.) No. 261/76/LA and SWD dated 27th October, 1976 and published in the Kerala Gazette Extraordinary No. 620 as S.R.O. No. 1119/76 dated 3rd November, 1976. Later on, taking into consideration of the overall developments in the area, Government have decided to vary the Scheme in part as per the provision given under section 12 of the then Town and Country Planning Act, 1120. The varied scheme was published vide notification issued under G.O. (Ms.) No. 184/2010/LSGD dated 20th August, 2010 and published in the Kerala Gazette No. 35 dated 7th September, 2010.

In the sanctioned plan, an area of 19.42 Ha. adjoining the Medical College Campus was marked for acquisition for the expansion of the Medical College. In the varied and published plan, certain developed areas proposed earlier were released from acquisition and new undeveloped areas were included in the area to be acquired for the expansion of Medical College. After publication of the varied plan in 2010 new demands from Institutions such as Regional Cancer Centre and Sree Chitra Tirunal Institute of Medical Sciences and Technology were received. Also the Government have received grievances by the affected parties in the areas included for the expansion of the Medical College Campus. Government withdrew the varied plan of 2010 and published another draft proposal for variation of the said Scheme on 2012 to the extent required. The scheme is now published finally, after incorporating modifications considering all objections and suggestions received on the republished draft scheme.

The notification is intended to achieve the above object.

(c) "Chief Town {Planner}" means, the Chief Town Planner to Government of Kerala.

### 5. Responsible Authority

The Trivandrum Town Planning Trust shall be the responsible authority for the implementation of the scheme.

### 6. Estimate of the Cost

An estimate of the total cost for the implementation of the scheme is given in schedule I. The estimate is liable to such revision as the Government may consider necessary.

### 7. Period of Execution of the works

The execution of works included in the estimate of cost of the scheme (schedule I) which under the scheme are to be executed by the Responsible Authority or any other agency, may be undertaken in such order and at such time as the Responsible Authority may determine.

### 8. Zoning and Reservation

This scheme lays down the following zoning, reserving different areas for various purposes.

(a) *Agricultural*.—Land as defined in schedule II (a), shall remain as land reserved for agricultural use. No person shall erect or re-erect any building within this area, except such buildings which are to be or are occupied together with land used mainly or exclusively for agriculture or for the purpose of plantation.

(b) *Commercial*.—Land specified in Schedule II (b), shall be reserved for development for shops and business premises. No person shall erect or re-erect any building in such land for any other purpose.

*Note*.—For the purpose of this sub-clause “shop” means a building designed for the purpose of carrying on retail trade not being a special industrial building and includes a light industrial building (not being a factory or workshop, within the meaning of the factories Act) on the same premises and ordinarily incidental to conduct or retail business thereon, a market or a hotel.

“Business premises” means a building designed for use as an office, theatre or for any business purpose special industrial building, factory or workshop. Industries of a non-offensive nature, run by electric motor upto 20 H. P. may be permitted with the approval of the Chief Town Planner in the areas reserved for shops and business premises.

(c) *Public and semi-public*.—Lands defined in schedule II (c)—

(i) for the expansion of existing schools;

(ii) for the proposed new L. P. S;

shall be reserved for public and semi-public uses. No person shall erect or re-erect any building within such land for any private purposes.

(d) *Recreational*.—Land defined in schedule II (d) shall be reserved for development as parks, play fields and open spaces. No person shall erect or re-erect any building within such land. Buildings for purposes of recreation may be permitted with the approval of the Chief Town Planner.

(e) *Roads and Streets*.—Land defined in schedule II (e) shall be reserved for development as roads and streets. No person shall erect or re-erect any building within such land.

(f) *Residential*.—All lands within the notified area except those which are covered by the allocations mentioned in items (a) to (e) above shall be residential areas. No person shall erect or re-erect any building for any purpose other than that deemed by the Responsible Authority under this scheme to be necessary for residential purposes. Petty shops or convenience shops shall however be permitted in residential areas with the approval of the Chief Town Planner.

### 9. Acquisition of land

Any land in the area required for the purpose of the scheme may be acquired by purchase, exchange or otherwise by the Responsible Authority at any time under the Land Acquisition Act in force at the time. The land required to be acquired immediately for various uses proposed in the scheme are detailed in schedule III(1)a, III(1)b, III(1)c, III(1)d, III(ii), III(iii), III(iii)(a), III(iii)b, III(iv), and II (e).

### 10. Disposal of land

The Responsible Authority or any other agency authorised by Government may with the approval of the Government dispose of any land belonging to the scheme or acquired under the scheme by sale or otherwise subject to the compliance with the provisions of the scheme and subject also to the payment of groundrent at the rate in force for the time being. The rate so fixed shall be liable to revision from time to time in accordance with the rules in force at the time of the revision. The condition subject to which site shall be disposed of may be as decided by the Responsible Authority and those shall be binding on the purchaser, transferee, his or her heirs, assignee and their successors.

### 11. Roads and Streets

(1) Subject to the provisions of the scheme, all roads (except AA, A1 A1 and A2 A2) shall be constructed by the Responsible Authority on the lines shown in the map kept in the office of the authority provided that reasonable

modifications in the alignment of roads or in the layout of any portion of the area may be made by the Responsible Authority with the approval of the Chief Town Planner. The estimate of additional land to be acquired for this purpose is given in schedule II (e).

(2) All other private roads or streets that may be permitted in the area with the permission of the Responsible Authority and in conformity with the proposed development of the area shall comply with the following conditions unless otherwise approved by the Chief Town Planner:

(a) Every road or street intended to be used as a cart or carriage road shall be of at least 7m. width.

(b) Every street intended to form the principal approach or means of access to any particular site intended for building purposes but is not intended for use as a cart or carriage road shall be at least 4 m. in width, provided that such site is considered suitable and approved by the Responsible Authority for building purposes and provided also that in the opinion of the Responsible Authority a street to be used as a cart or carriage way cannot be or need not be made in compliance with the requirements of sub-clause (a).

(3) No person shall build any wall or erect any fence or other construction or projection or make any encroachment in or over any land intended for use as a road or street.

(4) The Responsible Authority shall so far as the funds at his disposal may permit provide a sufficient and satisfactory system of drains along the public road or street in the area.

## 12. Submission of layout plans

(i) If any owner of land within the area intends or proposes to lay out a street, lane or pathway or subdivide, utilise, lease or otherwise dispose of any land as a site or sites for building purposes, he shall submit for the approval of the Responsible Authority, a site plan or layout plan showing the land and the site intended or proposed for building purposes and the street or the streets either existing already or intended to be laid out and made by the owners for giving access to the site or sites.

(ii) Save in such cases as the site or sites intended for building purposes may abut on any existing public street or any existing private street, the owner of the land shall layout and make the street or streets giving access to the site or sites and connecting with an existing street in compliance with the provisions of the scheme.

(iii) The owner of the land shall not proceed to subdivide, utilise, sell, lease or otherwise dispose of the site or sites intended for building purposes unless he has carried out or otherwise made arrangements to carry out the street works in compliance with the provisions of the scheme.

(iv) If the street or streets have not been made as required by sub-clause (i), (ii) and (iii) above, the Responsible Authority may order the street

works to be carried out or carry out the works himself in the manner prescribed in the scheme, in which case, the cost of such works will be recovered from the owner or occupier.

(v) For the purpose of adjusting the boundary of any street, the Responsible Authority may with the approval of the Government make an exchange of land forming part of any street for the land that it may require, with or without paying or receiving any money for equality of exchange or otherwise.

## 13. Approval of layout plans and building plans

1. (a) No owner or other person shall layout a street, lane or pathway or subdivide, utilise, sell, lease or otherwise dispose of his land or portion or portions of the same as site or sites for building purposes until a site plan or layout plan or plan of subdivision has been approved by the Responsible Authority.

(b) The application for approval of a site or layout plan or plan of a sub division shall be submitted to the Responsible Authority in the form prescribed.

The Responsible Authority may in the interest of the scheme impose reasonable restrictions and conditions and also insist on such modification of the plan as he thinks fit.

(c) The restrictions and conditions as laid down by the Responsible Authority shall be adopted by the owner or other person and shall be enforceable.

2. (a) No owner or other person shall construct or re-construct or in any way alter or add to a building without conforming in every particular with the requirements of the scheme and unless he has applied for and obtained permission of the Responsible Authority and in compliance with the requirements of sub clause (4) below. No building shall be constructed or re-constructed in any land in which building is expressly forbidden or which is reserved in the scheme for any purpose incompatible with building.

(b) The Responsible Authority may for the purpose of the scheme demolish or cause to be demolished or alter or cause to be altered any building in the area so far as may be necessary for carrying out the scheme into effect.

3. Notwithstanding anything contained in the scheme, the Responsible Authority may prepare a layout plan for any portion of the area to determine the lines on which the detailed development of such area shall take place and the manner in which the streets, sub divisions of lands into sites for building purposes and the reservation of any lands for communal or public purposes shall be laid out and submit the same for the approval of the Chief Town Planner. The lay-out plan as approved by the Chief Town Planner, and the restrictions and conditions, if any, imposed by him, shall be read as part of the scheme, and shall be enforceable.

4. Every application for permission required to be obtained under clause 2 (a) above, shall be submitted to the Responsible Authority in the form specified in the Municipal Building Rules in force with such variations as circumstances may require and shall be accompanied by site plan and ground plan of each floor, elevation and sections of the building or buildings and also a specification or specifications in regard to design materials, architectural details, drainage, water supply, use of building and the other details of building construction, in duplicate.

**14. The building line in respect of all roads and streets shall be as specified below—**

<i>Proposed width of road</i>	<i>Minimum set back for building line from the proposed road boundary</i>
12 m and above	4.5 m.
below 12 m. up to 9 m.	3 m.
Below 9 m.	1.5 m.

(a) The design and lay-out for every building for which permission is applied for shall satisfy the provisions in the Kerala State Municipal Building Rules in force.

(b) *Off-street parking space for motor vehicle.*—(1) Off-street parking space shall be provided on any plot on which the uses specified in the following table are hereafter established. Such parking space shall be provided with adequate vehicular access to a street.

(2) Each off-street parking space provided shall not be less than 18 Sq. m. of area with a minimum width of 3 m. The area of driving aisles and such other provisions required for adequate access shall not be counted as part of the 18 Sq. m.

(3) Off-street parking spaces provided shall not be less than the minimum requirements specified in the following table for each type of use.

(4) If vehicle parking space required by these rules is provided in parking areas within 90 m. of the building by groups of property owners for their mutual benefit, the authority may construe such use of this space as meeting the off-street parking requirement of these rules.

**MINIMUM OF OFF-STREET PARKING SPACE**

<i>Type of use</i>	<i>One parking space shall be provided for, every—</i>

**15. Prohibition of building in unhealthy sites**

The Responsible Authority may refuse to sanction any building within an area, in which in his opinion the erection of buildings would be objectionable, for reasons of health and sanitation.

**16. Drainage**

Sufficient means of effectual drainage shall be provided in every private street by the owners or occupiers of sites abutting thereof and every site and building shall be provided with suitable drains leading therefrom to the nearest street drain. All the sullage water shall be disposed of in such a way as to prevent it from running on to or stagnating on adjacent streets. It may be used for watering gardens and compounds if no nuisance is created thereby or allowed to flow into drains or channels or its having previously been treated sanitarily in the manner required by the Responsible Authority.

**17. Housing Schemes**

Housing schemes may be undertaken in conformity with the provisions of the scheme by the Responsible Authority or the Responsible Authority may enter into contract with co-operative housing societies or other agencies to take up housing schemes with the previous sanction of Government.

**18. Reconstitution of boundaries**

(a) Where necessary, boundaries of sites or lands shall be redistributed and plots reconstituted:

- (1) to suit the alignment of the proposed streets,
- (2) to provide frontage on streets,
- (3) to alter or improve the size and shape of any site or plot in order to render it more suitable for building purposes, or
- (4) to procure the transference of ownership of land or portion of land from one person to another.

(b) No shop, market, factory, petrol filling station, slaughter house, cattle-yard, timber or firewood depot, manure store, godown or place of public entertainments shall be opened after the commencement of this scheme except under and in accordance with the conditions of a permit issued by the Responsible Authority.

(c) No application for registration of sub division of private properties within the said area shall be entertained in any registration office except with copies of plans approved by the Responsible Authority. For this purpose all Sy. Nos. within the notified area shall be got registered by the Responsible Authority in the concerned registration offices.

(d) The Responsible Authority or any person authorised by him in writing in this behalf, shall have power to enter and inspect any land or building or the premises thereof with a view to secure the due and proper enforcement of the scheme.

(e) Whenever it appears to the Responsible Authority that any portion of the controlled area is to be measured, plans prepared and marks and stones fixed, a notice to that effect shall be published by him in the office of the Responsible Authority and the substance of such notice shall be published in the prescribed manner.

Thereupon it shall be lawful for the Responsible Authority and his assistants:

- (i) to enter upon and survey and take levels of any kind in such locality;
- (ii) to dig or bore into the sub-soil;
- (iii) to plant stones and make the necessary markings regarding the layout of roads, pathways, ditches, etc., and
- (iv) where otherwise the survey cannot be completed and the levels taken and the lines marked, to cut down and clear away any part of any standing crop, fence or jungle;

Provided that no person shall enter upon any building or upon any enclosed court-yard or garden attached to a dwelling house, either without the consent of the occupier thereof or without previously giving such occupier at least seven days notice in writing of his intention to do so.

(f) Notice required to be given under Rule 22 above shall be served or sent in the following manner:—

- (i) by giving or tendering the notice to the occupier of the dwelling house;
- (ii) if the occupier is not found, affixing the same in a conspicuous part of such dwelling house; and
- (iii) by sending the same to the occupier by registered post.

### 19. Punishment

Any person who commits or knowingly permits a breach of any of the provisions of the scheme or any orders, conditions, proceedings, restrictions, limitations or terms made or imposed under or in pursuance of any of the provisions of the scheme or the rules issued under the Act, shall on conviction be punished in accordance with section 11 of the Act.
