

CHAPTER 25

ZONING REGULATIONS

25 Zoning Regulations

- 25.1. All future development/constructions shall be in conformity with the provisions of the Master Plan for Sulthan Bathery 2042, Kerala Municipality Building rules, Kerala Conservation of Paddy and Wet Land Act-2008, Kerala Land Utilisation Order-1967, Kerala Land Reforms Act -1963, Kerala Forest Act – 1961, AMASR Act, Aircraft Act 1934, Environment Protection Act 1986, Disaster Management Act, Orders of District Disaster Management Authority (DDMA) Wayanad and other applicable statutes and clearance as amended from time to time.
- 25.2. For the implementation and enforcement of the proposal envisaged in this Master Plan, areas have been zoned under various zones such as *Residential zone I, Residential zone II, Commercial zone, Mixed zone, Public and semi-public zone, Park and open space, Preferred industrial zone, Agriculture zone, Transport & Communication zone, Hazardous zone, Reserve forest, Beenachi estate, Wet agriculture, Water body, Green belt and Special zones*. Details regarding the nature of uses ‘permitted’ and uses ‘restricted’ in each zone are given in Table 25.2. These regulations shall be enforced in conjunction with other specific provisions if any mentioned elsewhere in the Master Plan.
- 25.3. Uses ‘permitted’ in a zone cover the uses that can be normally accommodated in the relevant zone. Such uses may be permitted by the Secretary, Sulthan Bathery Municipality (hereinafter referred to as Secretary). In some cases, it may be possible to permit some other uses also, which are not likely to affect the quality and environment in a zone specified for a particular use. Such cases have to be individually examined based on their performance characteristics and special locational factors. Such cases which come under this category are classified as “Uses Restricted”.
- 25.4. Uses restricted- 1 Category deals with the restricted uses that may be permitted by the Secretary with the concurrence of the District Town Planner of the Local Self Government Department Planning having jurisdiction over the area (hereinafter referred to as Town Planner).
- 25.5. Uses Restricted- 2 Category deals with the restricted uses that may be permitted by the Secretary with the concurrence of the Chief Town Planner of Local Self Government Department Planning.
- 25.6. “Used prohibited” are various objectionable uses in each zone which shall not be permitted under normal circumstances. All uses which does not come under ‘Uses Permitted’ or ‘Uses Restricted’ will be considered as ‘Uses prohibited’

- 25.7. Any use not specified either in the 'uses permitted' or 'uses restricted' category of a particular use zone but which is of a similar nature to any use 'permitted' or 'restricted' in that particular use zone, may be permitted by the Secretary with the concurrence of the Town Planner.
- 25.8. Zoning regulations are not intended to prohibit existing uses that have been lawfully established prior to the enforcement of these regulations, unless otherwise specifically mentioned in this Master Plan. Zoning Regulations are essentially intended to help the competent authority in taking decisions regarding granting or refusal of permits for land development and construction of buildings/ structures. In case of minor deviations from the permit plan, the tolerance allowable in the prevailing building rule may also be permitted by the secretary to such buildings.
- 25.9. If any portion of a zone is put to a "Use Prohibited" as stated in Para 6, before coming into operation of this Master Plan, such use shall be termed as *non-conforming use*. A non-conforming use may be allowed to continue in its existing location and essential repairs and maintenance for the structure may be permitted by the Secretary, provided that the said use create no adverse environmental influence in the zone. Addition, alteration or reconstruction, if found necessary as part of any mitigation measures may be permitted for such uses by the Secretary with the concurrence of the Town Planner. The total built up area of such non-conforming use shall not exceed 1.5 times the existing built up area.
- 25.10. Existing areas and structures of archaeological importance and religious uses may be permitted to continue in all the zones and shall be treated as permitted uses.
- 25.11. Subject to the zoning regulations of the respective use zones, more than one use may be combined in a building/ plot, provided that the area of individual uses shall be limited to that prescribed for each such use in the zoning regulation for the respective zone.
- 25.12. All future developments shall also be in conformity with the provisions of Kerala Municipality Building Rules, unless otherwise specified in these regulations or in any Detailed Town Planning Scheme in force.
- 25.13. Silence zone, as prescribed by the Noise Pollution (Regulation and Control) Rules, 2000 as amended from time to time, shall be applicable to such areas under this Master Plan.
- 25.14. Regulation of constructions and land developments on the sides of new roads / roads proposed for widening as per the scheme shall be governed by the distance from the centreline of the road, unless otherwise specified in the Master Plan or Detailed Town Planning Scheme in force or any Detailed Road Alignment approved by Government. If widening on one side of any stretch of the road is constrained due to

the physical barriers of water body zone, protected archaeological monuments/sites, forest etc. the road widening in that stretch shall be accounted from the other side.

- 25.15. In the event of change in alignment of NH Bypass and the road connecting Ex Service Men Colony Jn to Poomala Jn (Ex Service Men Colony Road-Poomala Road) proposal in the Master Plan, after the commencement of land acquisition of the new alignment, the land parcels in stretches excluded from the original alignment may be changed to adjacent suitable land use zone with the concurrence of the Town Planner.
- 25.16. A building line of 4 m is to be kept for the proposed 7 m road from Ex Service Men colony Jn to Poomala Jn (Ex Service Men Colony Road-Poomala Road)
- 25.17. Operational constructions as defined in the Kerala Town & Country Planning Act 2016 and the Kerala Municipality Building rules shall be treated as permitted use in the Master Plan Area.
- 25.18. The Government shall have the power to issue clarifications in respect of technical interpretations, if any, required on any of the provisions of the Master Plan in consultation with the Chief Town Planner concerned of the Local Self Government Department Planning.
- 25.19. Only the existing areas under Public and Semi Public uses are intended to be included under Public and Semi Public zone. If any private property put under uses other than those permitted or restricted in the above zones has got included within such zones, the Secretary may after verification of the revenue ownership documents, accord sanction for development by adopting the regulations of the surrounding land use zone in the proposed land use map, subject to the provisions as per applicable Acts, Rules and Government Orders in force in the State.
- 25.20. Expansion of Public and Semi Public Institutions and their incidental uses to adjacent plots shall be treated as permitted use irrespective of the zone in which such adjacent plot lies, except in Water Body zones.
- 25.21. If public activity or hazardous activity ceases or do not exists in a private land, uses permitted/ restricted in the surrounding land use zone shall be allowed in the plot with the concurrence of the Town Planner, if no records are available with Sulthan Bathery Municipality regarding any proposal for acquiring that particular land for any public or hazardous use at the time of application for building construction or land development.
- 25.22. Uses Permitted in Mixed Zone may also be permitted by the Secretary, if not allowable otherwise as per the zoning regulations applicable, on both sides of the following roads (as per the Master Plan for Sulthan Bathery-2042) except Water body, Reserve forest, Park & Open space and Green belt in land up to a depth shown against each road in the table 25.1.

Uses restricted in Mixed Zone may also be permitted by the Secretary if not allowable otherwise as per the zoning regulations applicable, but with the concurrence of the Town Planner or the Chief Town Planner as the case may be, on both sides of the following roads (as per this Master Plan) in such applicable zones as mentioned above in land up to a depth shown against each road in the table below

Table 25-1: Details of Roads Where the Provisions of Mixed Zone are Applicable.

Sl. No.	Name of Road	Depth (in metres measured from the proposed road boundary) on both sides of the road up to which provisions of Mixed Zone is applicable
1	NH	200 m
2	having the proposed width of 12 metres or more including the Gudalur road & Pulpally road	150 m
3	having the proposed width of 10 meters or more	100 m

If more than 50% of the area of a plot is included within the mixed zone, the entire plot shall be deemed to be included under such mixed zone.

25.23. Disaster mitigation projects by competent authorities shall be permitted in all zones.

25.24. Transmission / telecommunication towers, wireless station, ATMs, water tanks, waste management units, electric charging stations and public utility buildings/structures shall be treated as permitted uses in all zones.

25.25. Projects of Central/ State Government, Local Self Government Institutions, Public Sector Undertakings and other Government Institutions may be permitted with concurrence of the Town Planner in all zones without any height or floor restrictions, but as per DDMA orders, if such uses are not included in the permitted uses or restricted uses as per the zoning regulations applicable.

25.26. In case of uncertainty in identifying the alignment and boundary of thodu, canal, river, existing public road and in the absence of survey boundaries for the same in the Proposed Land Use Maps, it shall be referred to the actual position on ground as well as revenue records and decision taken by the Secretary in this regard shall be final.

25.27. The areas specially demarcated for certain projects as Special Zones such as Bus Terminal Complex, Stadium Complex, Town park, Truck terminal, Open ground are to be procured as per the provisions of the Kerala Town & Country Planning Act 2016, by Sulthan Bathery Municipality or other agencies concerned. If the proceedings to procure such land have not been initiated within 7 years from the date of sanctioning

of this Master Plan, the areas so specifically demarcated may be released and assigned to a use permitted/restricted in the surrounding land use zone in the Proposed Land Use Map by the Secretary with the concurrence of the Town Planner, based on the application for building permit received.

- 25.28. If different land use zones fall within a single plot, all uses permitted as per zoning regulations of such land use zones may be permitted by the Secretary in the plot. If application submitted includes any of the restricted uses and not included in such permitted uses, the Secretary shall issue permit with the concurrence of the Town Planner/Chief Town Planner, as the case may be.
- 25.29. In Wet Agriculture zone, permitted and restricted uses in adjacent land use zone may be permitted by the secretary if that particular land in Wet Agriculture zone is not classified as paddy land or wet land as per revenue records at the time of issuance of permit. The same provision may also be applied to the land converted as per the Kerala Conservation of Paddy & Wet land act - 2008.
- 25.30. If different land use zones fall within a single plot, the major land use zone (more than 50% of the plot) applicable to that plot may also be extended to the remaining portion of the plot, if so required by the applicant.
- 25.31. For the purpose of zoning regulation, the total floor area means the total floor area as per the prevailing Kerala Municipality Building rules.
- 25.32. Large Scale development projects in an area not less than one hectare, exceeding an investment of Rs.50 Crores, which provide direct employment (after commissioning of the project) to the tune of not less than 500 may be permitted in all zones other than Water body & Reserve forest, if not included in the permitted uses or restricted uses as per zoning regulation applicable. In such cases, the recommendation of a committee with constitution as below shall be obtained, subject to satisfying the procedures laid out here under and the Secretary shall comply the same while issuing permit.

Also, adequate provision shall be made for supporting infrastructure such as water supply, sewerage, solid waste management, power supply etc. Separate systems for management of solid waste and sewage shall be provided and maintained by the developer at his cost. The project shall be completed within a period of 5 years or as suggested by the Committee.

Procedure to be followed

- a. The developer shall submit the project report, detailing the demand, feasibility and Environmental Impact Assessment aspects of the project, together with the approval, if necessary, obtained from the Ministry of Environment and Forests, Government of India to the Convener of the committee and the Convener shall make all arrangements for convening meeting of the committee at the earliest and the committee shall consider

and dispose of the project report within a period of one month from the date of receipt of the same.
