#### FCREWCED

The Betailed Town Planning Schore for West Neda, Veikor intended for the planned development of the public street of the Reds and its immediate environs. The schome envis gas wide of West Neda road and creation of a small shopping complex or southern side of the street and an open space on the north road southern side of the street and an open space on the north road.

The school envisages the following:-

- (1) Widening of the existing red in front of West Hode to 22 M.
- (2) Improving and widening two oth rexisting reads
- (3) Acquisition of 1.235 Heet. of land on the southern side of the proposed 22 nos. road to errote a planned Shopping Complex with provision for rehabilitation of evicted communical activities.
- (4) requisition of 0.544 heets, of land on the northern side of the 22 m. roof to provide a developed open special for public purpose.

The Scheme area comprises of approximately 3,237 hact. in Naduvila Village and Vaikom Village in Vaikom Taluk of Kottoyam Pistrict. Following are the survey Nos. included in the Scheme

# Haduvila Villaga

205/5 to 205/10, 206/1 to 206/3 and 206/5 mart Valvor Village

192/3 to 192/6, 193/33 to 193/35 and 194/1 to 194/4

The road leading to West Mede of Veiter Temple is built up by either side in a haphazard manner and its average right of way is only 8 m. Since the entire road frontage to one plot doubt is built up, the valuable lead lying behind in blocked from utilization. The structural condition of rost of the building in the scheme area is near. The absence of dayed open spaces in front of the temple especially during the festival time is a marked draw back.

The existing and proposed lend use of the Scheme erea is gire Table I and II separately.

3. The responsible authority may undertake to carry out any private street work or widening of any private street (not included in the scheme) whether with the consent of owners or occupiers of buildings or lands fronting or abutting on such streets, or by acquiring the land covered by the street, provided that, the expenses incurred shall be paid by the owners or occupiers according to the frontage of their respective lands or in such proportions as may be settled by the responsible authority.

4. The responsible authority may, not withstanding anything contained in sub clauses (2) and (3) above, with the approval of the Chief Town Planner and subject to any agreement with the owners or occuperiers as to the cost of construction, undertake to construct any new street within the area, when the owners of the lands through which the street may pass, have surrendered lands free of cost for the street, and agreed to contribute the cost of constructing the streets, provided that if 50% of the owners or occupiers abutting on any new street have surrendered lands free of cost for the streets and paid the cost of construction, the responsible authority shall undertake to construct the street without delay, and recover the balance from the remaining owners or occupiers.

5. No persons shall build any wall or erect any fence or other construction or projection or make any encroachment in or over any land intended for use as a street or lane.

6. The responsible authority shall so far as the funds at his disposal may permit provide a sufficient and satisfactory system of drains along the public streets in the area affected.

SUBMISSION CF LAYOUT PLANS

7.i) If any owner of land within the area intends or proposes to layout a street, lane or pathway or sub-divide, utilise, lease or otherwise dispose of any land as a site or sites for building purposes, he shall, submit for the approval of the responsible authority a site or layout plan showing the land and the site or sites intended or proposed for building purposes and the street or the streets either existing already or intended to be laid out and made by the owner for giving access to the site or sites.

ii) Save in such cases as the site or sites intended for building purposes may abut on any existing public street or any existing private street the owner of the land shall layout and make the street or streets giving access to the site or sites and connecting with the existing street in compliance with the provisions of the scheme.

iii) The owner of the land shall not proceed to sub divide, utilise, sell, lease or otherwise dispose of the site or sites intended for building purposes unless he has carried out or otherwise made arrangements to carryout the street works in compliance with the provisions of the Scheme.

- iv) If the street or streets, have not been made as required by sub clauses (i), (ii) and (iii) above, the responsible authority may order the street works to be carried out or carryout the works itself in the manner prescribed in the scheme, in which case, the cost of such works will be recovered from the owner or occupier.
  - v) For the purpose of adjusting the boundary of any street the responsible authority may make an exchange of land forming part of any street that it may require with or without paying or receiving any money for equality of exchange or otherwise.

#### APPROVAL OF 8(i)(a) LAYOUT PLAN

No owner or other persons shall layout a street, lane or pathway or sub divide, utilise, sell lease or otherwise dispose of his land or portion of the same as site or sites for building purposes until a site or layout plan or plan of sub-division has been approved by the responsible authority provided that the concurrence of the Chief Town Planner is obtained for the layout plan or plans prepared for laying out of a street, lane, or pathway for for sub-dividing lands in cases where the area exceeds 50 ares or where the sub-divided plots exceed 10 in number.

b) The application for approval of a site or layout plan for plan of a sub-division shall be submitted to the responsible authority in the prescribed form.

The responsible authority may in the interest of the Scheme impose reasonable restrictions and conditions and also insist on such modification of the plan as he thinks fit or cause to be made such modifications of the plan as the Chief Town Planner may consider necessary according to clause (8(1)(a).

- c) The restrictions and conditions as laid down by the responsible authority or as decided by the Chief Town Planner shall be adopted by the owner or other person and shall be enforceable.
- 2.a) No owner or other person shall construct or reconstruct of in any way alter or add to a building without conforming in every particular with the requirements of the scheme and unless he has applied for and obtained permission of the responsible authority under section 15 of the Act in compliance with the requirements of sub clause 5(a) below.

No building shall be constructed or reconstructed in any land in which building is expressly forbidden or which is reserved in the scheme for any purpose incompatible with building.

b) The responsible authority may for the purpose of the Scheme demolish or cause to be demolished or alter or cause to be altered any building in the area so far as may be necessary for carrying the scheme into effect.

The responsible authority shall, before granting per-(3) mission under section 15 of the Act for any site plan or layout plan or plan of sub-division or for construmaning ction or reconstruction of a building in a site in the Of area, take into consideration the desirability or reconstruction of a building in a site in the area, take into consideration the desirability or reconstitution or redistribution of boundaries of any land or nange plot.or plots or site or sites under clause (21) of quir the scheme as he thinks fit and may impose any restrictions or conditions or pass such orders as may be necessary to secure such reconstitution or redistribution of boundaries of the land plot or plots or site or lane The restrictions or conditions imposed or the sites. orders passed by the responsible authority shall be arr.e complied with by the owner or owners or the person or te persons concerned and shall be enforceable. Notwithstanding anything contained in the Scheme the 自七 responsible authority may with the approval of the ned Chief Town Planner prepare a layout plan for any per portion of the area to determine the lines on which the detailed development of such area shall take place and the manner in which the streets, sub divisions of lands into sites for building purposes and the reservation of lands for commercial or public purposes shall be laid out and the same shall be read as part of the scheme, and shall be enforceable, (5) (a) Subject to the provisions of section 15 of the Act, every application for permission required to be obtained under clause 2(a) above, shall be submitted to the responsible authority in the form specified in the Kerala Municipal Building Rules, 1968 with such variations as circumstances may require and shall be accompanied by a site plan and plans of each floor, elevation and section of the proposed and existing building or buildings and also a specification or specifications in regard to the design, materials, architecture, drainage, water supply, use of building and other details of building construction. (b) The responsible authority shall have power to impose reasonable restrictions and conditions while granting er permission and to make reasonable modification or alteration in the location, layout, structural or architectural design or materials of the building er! or buildings as he thinks fit, or shall cause to be made such modifications or alterations as the Chief Town Planner may consider necessary. The restrictions and conditions as laid down by the responsible authority shall be complied with and the plans and specifications approved or modified or altered by the responsible authority or as decided by the Chief Town Planner shall be adopted by the applicant, owner or other persons concerned and shall be enforceable. the responsible authority fails to give a reply or pass any orders within three months from the date of receipt of the application, the application shall be deemed to be sanctioned, if not otherwise inconsistent with the provisions of the scheme.

(a) The width of every new street, public or private intended for use as a cart or carriage way giving access to or through a commercial precinct consisting of a continuous row of shops exceeding ten in number shall be not less than 12 metres except in the case of a cul-de-sac not exceeding 150m. where the minimum width shall be 9 metres.

(b) The frontage of every commercial building abutting such street shall have a minimum width of 4.5 metres.

- (c) For every commercial building abutting a commercial street the minimum set back from the street shall be 3 metres.
- (d) In such street no building intended for commerciation extent.
- (e) No service garage or auto workshop building shall be located in such a street unless the site has a minimum area of 300 sq.m. and an average plot width not less than 12 metres.
- (f) The layout of all new commercial areas shall be subject to the approval of the responsible authority.
- g) For commercial area, minimum area of off-street parking ce of 1 sq.m. shall be provided for 90 sq.m. of carpet area of fraction thereof. Buildings like commercial offices and banks having more than 250 sq.m. of plinth area shall be considered as public buildings in providing front set back ie. it shall be provided with a front set back of 7.5 metro

#### RESERVAT-ION OF LAND AND ZONING

- 9. (a) For the purpose of the Scheme the streets or footpaths which may be approved or made in accordance with the provisions of the scheme shall also be deemed to be included under lands reserved for the purpose of the scheme.
  - (b) TThe responsible Authority may from time to time, to meet the demand, declare any part of the area with the approval of the Chief Town Planner and subject to such conditions and restrictions as he may think fit, to be reserved for commercial activity or for such other purposes which can be prescribed under sub-section(k) of Section 3 of the Act. Any part of the area so declared shall be included under lands reserved under the scheme and treated as such.
  - (c) Agriculture or horticulture may be permitted in the area reserved under (a) and (b) above.
