

## **ZONING REGULATIONS**

1. All future developments shall be in conformity with the provisions of the Master Plan for Punalur Town and future constructions shall conform to the Kerala Municipality Building Rules and other applicable statutes in force unless otherwise specified in this regulation or in any Detailed Town Planning scheme in force.
2. For the implementation and enforcement of the proposals envisaged in this Master Plan, areas have been zoned under various categories such as Residential zone, Commercial zone, Existing / Proposed Public and Semi Public zone, Residential Mix zone, Dry Agricultural zone, Existing / Proposed Industrial zone, Paddy/ low lying land, Traffic and Transportation zone, Water bodies, Special zone, No Development zone, Government Forest. Details regarding the nature of uses 'permitted' and uses 'restricted' in each zone are given in the accompanying sheets. These regulations shall be enforced in conjunction with other specific provisions if any mentioned elsewhere in the Plan and in accordance with the other statutes applicable.

**'Uses Permitted'** in a zone cover the uses that can be normally accommodated in the relevant zone. Such uses may be permitted by the Secretary, Punalur Municipality, hereinafter referred to as Secretary. In some cases it may be possible to permit some other uses also, which are not likely to affect the quality and environment in a zone specified for a particular use. Such cases have to be individually studied based on their performance characteristics and special locational factors. Such cases which come under this category as classified as "Uses Restricted".

**Uses Restricted- 1** category deals with the uses that shall be restricted by the Secretary, Punalur Municipality with the concurrence of the Town Planner of the LSGD (Planning) Kollam

**Uses Restricted- 2** category deals with the uses that shall be restricted by the Secretary with the concurrence of the Chief Town Planner concerned of the LSGD (Planning)

In each land use zone, all the uses that are not listed as 'Uses Permitted', 'Uses Restricted -1' and 'Uses Restricted - 2, are "Prohibited Uses"

3. If any space in a zone is put to a "Use Prohibited" as stated in Para 2, before the sanctioning of the Master Plan, such use shall be termed as non-conforming use. A non-conforming use may be allowed to continue in its existing location, and essential repairs and maintenance for the structure may be permitted by the Secretary, provided that the said use creates no adverse environmental influence in the zone. Addition, alteration or reconstruction, if found necessary as part of any mitigation measures may be permitted for such uses by the Secretary with the concurrence of the Town Planner concerned. The total built up area of such non-conforming use shall not exceed 1.5 times the existing built up area.

4. Any use not specified either in the 'uses permitted' or 'uses restricted' category of a particular use zone, but which is of a similar nature to any use permitted or restricted in that particular use zone, can be considered by the Secretary, with the concurrence of the Town Planner concerned.
5. Zoning regulations are not intended to prohibit existing uses that have been lawfully established prior to the enforcement of these regulations, unless otherwise specifically mentioned in this Master Plan. Zoning Regulations are essentially intended to help the competent authority in taking decisions regarding granting or refusal of permits for land development and construction of buildings/ structures.
6. Regulation of constructions and / or land developments on the sides of new roads / roads proposed for widening as per the Plan shall be governed by the distance from the center line of the road, unless otherwise specified in the Plan or in any detailed road alignment approved by the Chief Town Planner concerned. In cases where the proposed new roads or road widening as per the Master plan abuts/ affects a water body, regulation of construction and/or land developments on the sides of such road shall be governed by the distance from the nearest boundary of the water body, unless otherwise specified in any Detailed Town Planning schemes or any road alignment plans approved by the Chief Town Planner concerned.
7. The Government shall have the power to issue clarifications in respect of technical interpretations, if any, required in any of the provisions of the Master plan in consultation with the Chief Town Planner concerned.
8. Existing areas and structures of archaeological importance, agricultural uses and religious uses shall be permitted to continue in all the zones and shall not constitute non-conforming uses.
9. Disaster mitigation projects by competent authorities shall be permitted in all zones
10. Expansion of existing Public and Semi Public Institutions and existing Industrial units including their incidental uses to adjacent plots shall be treated as permitted use irrespective of the zone in which such adjacent plot lies, except in construction free Zone (Paddy/Low lying land, water bodies, No development zone)
11. The Secretary of Punalur Municipality with the concurrence of the District officer of the LSGD (Planning) having jurisdiction over the area shall permit in land uses such as Paddy land or water body, such uses that are permissible in adjacent land use zone, if that particular land in the Paddy land zone or Water body zone is not classified as Paddy land or Water body as per revenue records.
12. Only the existing areas under Public and Semi Public uses and Industrial uses are intended to be included under Public and Semi Public zone and Industrial use zone respectively. If any private property put under uses other than those permitted or restricted in the above zones has got

- included within such zones, the Secretary may, with the concurrence of the Town Planner, after verification of the revenue ownership documents, accord sanction for development by adopting the regulations of the surrounding land use zone in the proposed land use map, subject to the provisions as per applicable Acts, Rules and Government Orders in force in the State.
13. If public activity ceases or do not exists in a private land, uses permitted/ restricted in the surrounding land use zone shall be allowed in the plot with the concurrence of the Town Planner, if no records are available with Punalur Municipality regarding any proposal for acquiring that particular land for any public use at the time of application for building construction or land development.
  14. If plot is abutting any of the waterbodies specified in the plan (Kallada river), Construction free zones (Green Strips) of 15m or width of the water body as per revenue records ,whichever is less ,shall be provided along the either side of such water bodies. No building construction other than compound wall ,shall be allowed on the landward side of the waterbody.
  15. Operational constructions as defined in the Kerala Town & Country Planning Act 2016 shall be treated as permitted use in the Master Plan Area.
  16. Transmission / telecommunication towers, mobile towers,wireless station, ATMs, water tanks, waste management units and public utility buildings/structures shall be treated as permitted uses in all zones except in water bodies.
  17. Electric charging stations for vehicles may be permitted in all zones other than Paddy/Low lying land,Water bodies
  18. Subject to zoning regulations of the respective zones, more than one use may be combined in a building, provided that the total built up area of such a building shall not exceed the maximum built up area permitted for any of such use, in that zone. Also, the built up area of individual uses shall be limited to that prescribed by the zoning regulations for the zone.
  19. If different land use zones falls within a single plot, all uses permitted as per zoning regulations of such land use zones may be permitted by the Secretary in the plot. If application submitted includes any of the restricted uses and not included in such permitted uses, the Secretary shall issue permit with the concurrence of the Town Planner/Chief Town Planner, as the case may be. However, for the part of the plot which comes under construction free Zone(Paddy/Low lying land,Water bodies, No development zone) this provision shall not be applicable.
  20. Projects of Central/ State Government, Local Self Government Institutions, Public Sector Undertakings and other Government Institutions may be permitted with concurrence of the Town Planner in all built up zones if such uses are not included in the permitted uses or restricted uses as per the zoning regulations applicable.

21. Silence Zone, as prescribed by the Noise Pollution (Regulation and Control) Rules 2000, under the Environment (Protection) Act 1986 and its subsequent amendments shall be applicable to the Master plan area.
22. Provisions/regulations under the Kerala Conservation of Paddy Land & Wetland Act 2008, Disaster Management Act, Archaeological Sites and Remains Act, Coastal Zone Regulations, Aircraft Act 1934, Environment Protection Act 1986 and any other applicable statutes as amended from time to time shall prevail over the respective provisions of this Master Plan.
23. The areas specially demarcated for certain projects as Special Zones (Municipal Expansion Zone, Recreational Open Space and Water Retention Area, Tourism Project Area I, Tourism Project Area II, Lorry Parking, Parking Lots, Stadium and Market expansion Zone) shall be made available in possession of Punalur Municipality within a period of seven years from the date of sanctioning of the Master plan. If land is not taken into possession within the stipulated period, these lands may be returned to that land use zone which may be deemed appropriate based on surrounding land uses and developments, with the concurrence of the Town Planner concerned.
24. In case of uncertainty in identifying the alignment and boundary of thodu, canal, river, existing public road, railway line and in the absence of survey boundaries for the same in the Proposed Land Use Maps, it shall be referred to the actual position on ground as well as revenue records and decision taken by the Secretary in this regard shall be final.
25. In the event of change in alignment of new road proposal in the Master Plan, after the commencement of land acquisition of the new alignment, the land parcels in stretches excluded from the original alignment may be changed to adjacent suitable land use zone with the concurrence of the Town Planner. This provision is applicable only to new road development proposals and not to widening proposal.
26. Parks & open spaces, playgrounds, turfs are permitted in all zones
27. Large Scale development projects in an area 1 hectare or more, exceeding an investment of Rs.100 Crores, which provide direct employment (after commissioning of the project) to the tune of not less than 500 may be permitted in all zones other than Paddy/Low lying land, water bodies, No development zone ; if not included in the permitted uses or restricted uses as per zoning regulation applicable. In such cases, the recommendation of a committee with constitution as below shall be obtained, subject to satisfying the procedures laid out here under and the Secretary shall comply the same while issuing permit.

Also, Adequate provision shall be made for supporting infrastructure such as water supply, sewerage, solid waste management, power supply etc. Separate systems for management of solid

waste and sewage shall be provided and maintained by the developer at his cost. The project shall be completed within a period of 5 years or as suggested by the Committee.
