DRAFT SCHEME

THE DETAILED TOWN PLANNING SCHEME FOR

AREA, ~~MANJERI~~ MUNICIPALITY

PONNANI

BUS STAND

~~NELLIPARAMBA~~

1. TITLE

This Scheme may be cited as the Detailed Town Planning scheme for ~~Nelliparamba~~ in Manjeri Municipality.

Bus Stand area.

Ponnani

2. DEFINITIONS

In this scheme, unless there is anything repugnant in the subject or context:

- a) "Act means the Madras Town Planning Act (Act VII of 1920) as amended.
- b) "Arbitrator" means the arbitrator appointed for the scheme under section 27 of the Act.
- c) "Municipality" means the ~~Manjeri~~ Municipality, formed under the Act.
- d) "Building Line" means a line which is beyond the street line and up to which the main wall of a building facing that street may lawfully ^{be} extended except as prescribed in the Kerala Building Rules in force.
- e) "Chief Town Planner" means the Chief Town Planner to the Government of Kerala.
- f) "Date of Scheme" means the date of notification of the scheme under section 14 of the Act in the Kerala Government Gazette.
- g) "Government" means the Government of Kerala.
- h) "Map" means the map annexed to the scheme.
- i) "Municipal Act" means the Kerala Municipalities Act 1960
- j) "Rules" means the rules made under section 41 of the Act.
- k) "Schedule" means the schedule appended to the scheme.

l) "Scheme" means the Detailed Town Planning Scheme for
BUS STAND AREA, MANJERI MUNICIPALITY.

m) "*Secretary* Commissioner" means the *Permanent Secretary* Commissioner of the Manjeri Municipality.

n) "Street" includes roads, streets and lanes.

3. **RESPONSIBLE AUTHORITY**

Secretary
The ~~Commissioner~~ shall be the Responsible Authority for the purpose of the scheme and shall function as such for a period of 20 years from the date of the scheme unless the Government order otherwise.

4. **AREA OF THE SCHEME**

The area to which the scheme applies shall be that within the inner edge of the boundary lines (dot and dash) marked in the map.

Nothing in this clause shall be deemed to restrict or otherwise affect the powers of the Authority to claim or levy betterment contribution from the owner of any property not included within the area, which will come under the purview of sections 23 and 25 of the Act and clause 20 (1) of the scheme.

5. **OWNERSHIP AND EXTENT**

The ownership of all land in the area with extent as per registers maintained in the village offices in Manjeri Municipal area and/or the Revenue Office, as on the date of publication of the notification under section 10 of the Act, is given in Schedule I.

6. **ESTIMATE OF THE COST**

1. *h* As estimate of the total and net cost of the scheme is given in Form No. II, Schedule II. The net cost is proposed to be financed as there in stated. The estimate is liable to such revisions as the Responsible Authority may consider necessary.

2. The execution of any works which, under the scheme, are to be carried out by the Responsible authority or by any other agency, may be under taken, in such order and such time as the Responsible Authority may determine, and completed within the period of 20 years unless the Government, for financial or other reasons, order otherwise.

3. The responsible Authority shall have power to specify any date or period within which the execution of any works under the scheme are to be carried out by any authority, owner or other person as the Responsible Authority thinks necessary and expedient for the purpose of securing the developemnt of the area without delay and ensuring the efficient operation of the scheme.

7. STREETS

1. Subject to the provisions of the scheme, all streets mentioned in Schedule III (Form No.8) shall be constructed or caused to be constructed by the responsible Authority on the lines ^S shown in the map DSN provided that reasonable modifications, in the alignment of streets or in the layout of any portion of the area, may be made by the Responsible Authority with the approval of the Chief Town Planner.

2. The streets mentioned in Schedule III and shown in the map DSN/2 shall be demarcated, formed and constructed by the Responsible Authority in such manner as he thinks necessary for the proper development of the area or expedient for the safety or convenience of the public provided that two-third of the entire cost of acquisition of land and metalling, surfacing, draining and lighting of the streets may be recovered from the owners or occupiers of land and buildings abutting the streets in such proportion as may be decided by the ^{Responsible} Reasonable Authority. Provided also that whenever the owner has been required to pay or has been required to leave or has left land freely for the streets, the Authority shall levy only such portion of the betterment contribution payable under the scheme or it may for go the contribution entirely.

3. Any other private street that may be permitted in the scheme area with the permission of the responsible Authority and in conformity with the proposed development of the area, shall comply with section 14, (a) of Kerala Building Rules 1984 issued under section 222 of Kerala Municipalities Act 1960 unless otherwise approved by the Chief Town Planner.
4. The Responsible Authority may, with the consent of the Chief Town Planner, undertake to carry out any private street work of widening of any existing private street (not included in the scheme either with the consent of owners or occupiers of buildings or land fronting or abutting on such streets or by acquiring the land covered by the street, provided, that the expenses incurred shall be paid by the owners or occupiers according to the frontage of their respective land or in such proportions as may be settled by the Responsible Authority.
5. The Responsible Authority may, notwithstanding anything contained in sub-clause (2) and (3) above, with the approval of the Chief Town Planner and subject to any agreement with the owners or occupiers as to the cost of construction, undertake to construct any new street within the area when the owners of the land, through which the street may pass, have surrendered land free of cost for the street and agreed to contribute in the cost of constructing the streets; provided that, if 50% of the owners or occupiers abutting on any new street have surrendered land free of cost for the streets and paid the cost of construction, the Responsible Authority shall undertake to construct the street without delay and recover the balance from the remaining owners or occupiers.
6. No person shall build any wall or erect any fence or other construction or projection or make any encroachment in or over any land intended for use as a street or lane.

7. The Responsible Authority shall, as far as the funds at his disposal permits, provide a sufficient and satisfactory system of drains along the public streets in the area affected.

8. **SUBMISSION OF LAYOUT PLANS.**

1. If any owner of land within the area intends or propose to layout a street lane or pathway or sub-divide, utilise, lease or otherwise dispose of any land as a site or sites for building purpose, he shall submit, for the approval of the Responsible Authority, a site or layout plan showing the land and the site or sites intended or proposed for building purpose and the street or streets either existing already or intended to be laid out and made by the owners for giving access to the site or sites.

2. If the site or sites intended for building purposes abut on any existing public street or an existing private street, the owner of the land shall layout and make the street or streets giving access to the site or sites and connecting with an existing street in compliance with the provision of the scheme.

3. The owner of the land shall not proceed to sub-divided utilise, sell, lease or otherwise dispose of the site or sites intended for building purposes unless he has carried out or otherwise made arrangements to carryout the street works in compliance with the provisions of the scheme.

4. If the streets have not been made as required under sub-clauses (1), (2) and (3) above the Responsible Authority may order the street works to be carried out or carry out the works himself in the manner prescribed in the scheme, in which case, the cost of such works will be recovered from the owner or occupier.

5. For the purpose of adjusting the boundary of any street, the Responsible Authority may, with the approval of the Chief Town Planner, make an exchange of land forming part of any street that it may require, with or without paying or receiving any money for equality of exchange or otherwise.

APPROVAL OF LAYOUT PLANS

1. a) No owner or ^{any} other person shall layout a street, lane or pathway or sub-divide, utilise, sell, lease or otherwise dispose off his land or portion or portions of the same as site or sites for building purposes until a site or layout plan or plan of sub ~~sub~~ divisions has been approved by the Responsible Authority, provided that the concurrence of the Chief Town Planner is obtained for the layout plan or plans prepared for laying out of a street, lane or pathway or for sub dividing the land.

b) The application for approval of a site or layout plan or plan of sub division shall be submitted to the Responsible Authority in the prescribed form. The Responsible Authority may in the interest of the scheme impose reasonable restrictions and conditions and also insist on such modifications of the plan as he thinks fit or cause to be made such modifications of the plan as the Chief Town Planner may consider necessary according to clause 9 (1); (a).

c) The restrictions and conditions as laid down by the Responsible Authority or as decided by the Chief Town Planner shall be adopted by the owner or other persons and shall be enforceable.

2. a) No owner or other person shall construct or reconstruct or in anyway alter or add to a building without enforcing, in every particular, with the requirements of the scheme and unless he has applied for and obtained permission of the Responsible Authority under section 15 of the Act and in compliance with the requirements of clause 5 (a) below. No building shall be constructed or reconstructed in any land in which building is expressly forbidden or which is reserved in the scheme

for any purpose incomparable with the building.

b) The Responsible Authority may for the purpose of the scheme, demolish or cause to be demolished or alter or cause to be altered any building in the area as may be necessary for carrying the scheme into effect.

3. The Responsible Authority shall, before granting permission under section 17 of the Act, for any site plan or layout plan or plan of sub-division or for construction or reconstruction of a building in a site in the area, take into consideration the desirability of reconstitution or redistribution of boundaries of any land or plot or plots or site or sites, under clause 17 of the scheme, as he thinks fit, and may impose any restrictions, or conditions or pass such orders as may be necessary to secure such reconstitution or redistribution of boundaries of the land, plot or plots or site or sites. The restrictions or conditions imposed or the orders passed by the Responsible Authority shall be complied with, by the owner or owners or the person or persons concerned and shall be enforceable.

4. Notwithstanding anything contained in the scheme the Responsible Authority may, with the approval of the Chief Town Planner, prepared a layout plan for any portion of the area to determine the lines on which the detailed development of such area shall take place and the manner in which the streets, sub-division of land into sites for building purpose and the reservation of any land for communal or public purposes shall be laid out and the same shall be read as part of the scheme and shall be enforceable.

5. a) Subject to the provisions of section 15 of the Act, every application for permission required to be obtained under clause 2 (a) above, shall be submitted to the Responsible Authority in the form specified in the Kerala Building Rules made under section 22 of Kerala

Municipalities Act 1960 with such variations as circumstances may require and shall be accompanied by a site plan and plans of each floor, elevation and section of the existing building or buildings and also a specification or specifications in regard to the design, materials, architecture, drainage, water supply, use of building and other details of building construction.

b) The Responsible Authority shall have power to impose reasonable restrictions and conditions while granting permission and to make reasonable modifications or alterations of the building or buildings as he thinks fit or shall cause to be made such modifications or alterations as the Chief Town Planner may consider necessary. The restrictions and conditions, as laid down by the ^{Responsible} Reasonable Authority shall be complied with and the Plans and specifications approved or modified or altered by the Responsible Authority or as decided by the Chief Town Planner shall be adopted by the applicant, owner or other persons concerned and shall be enforceable. If the responsible Authority fails to give a reply or pass any orders within three months from the date of receipt of the application, the application shall be deemed to be sanctioned, if not otherwise inconsistent with the provisions of the scheme.

10. RESERVATION OF LAND AND ZONING

1. A list of land reserved for streets and for other non-residential purpose is given in Schedule IV (Form No.10).

For the purpose of the scheme, the streets or footpaths which may be approved or made in accordance with the provisions of the scheme, which are not mentioned in schedule IV shall also be deemed to be included under land reserved for the purpose of the scheme.

2. The Local Authority may, from time to time to meet the demand, declare any part of the area, with the approval of the Chief Town Planner or/and subject to such conditions and restrictions as he may think fit, to be reserved for commercial activity or for such other purposes which can be prescribed under sub-section (k) of the Act. Any part of the area so declared shall be included under land reserved under the scheme and treated as such.

Area to be used only for paddy cultivation or planting of trees in order to retain as a green area.

ii) Uses Restricted.

conversion of gardening lands for planting of each crops without any structures.

iii) Uses prohibited.

All other uses not mentioned above.

4. COVERAGE AND F.A.R

The coverage and F.A.R value of buildings under different occupancies shall not exceed the maximum permissible values as stipulated in the Kerala Building Rules in force/stipulate below:-

Sl.No	Building use of occupancy	Maximum Permissible Coverage(%)	Maximum Permissible F.A.R
1.	Residential	50.	1.5
2.	Commercial	60	2.0
3.	Public and semi-public	30	1.5
4.	Industrial	40	1.2

Note: The coverage and F A R as per the Detailed Town Planning Schemes will have to be adhered to in case the values differ from that of the Kerala Building Rules in force. The maximum percentage of coverage shall limit the plinth area of building. The floor area ratio or F A R value shall limit the total built up area on all floors. F A R shall be calculated as below:

$$F.A.R = \frac{\text{Total covered area on all floors}}{\text{Plot area.}}$$

5. Building lines from the boundary of road are fixed according to the road width as given below

Width of road	Building line
18 m and above	4.5 m
below 18 m	3 m

F.S.I = Total covered area on all floors

Plot area

Some times the term F.A.R is used instead of F.S.I

11. ACQUISITION OF LAND

1. Any land in the area required for the purpose of the scheme may be acquired by purchase, exchange or otherwise by the Authority at any time subject to the provisions of the Land Acquisition Act and without prejudice to the interests of the scheme.

2. The responsible authority may take up acquisition of any land which may be found necessary in future and which is not included in the scheme within the land for acquisition, with the specific consent of the Chief Town Planner and the Government.

12. DISPOSAL OF LAND

The responsible Authority may, with the approval of the Authority dispose of any Land belonging to the Authority or which was acquired under the scheme, by sale, auction, exchange, lease or otherwise, subject to rules framed for the purpose by the Authority and those rules shall be binding on the purchasers, transferers, heirs, assignees and their successors.

13. CONSTRUCTIONS BY THE SIDE OF PUBLIC STREETS

1. Every building site, unless it abuts on an existing public street or an existing private street in conformity with the scheme be made to abut to its full width in front on a street laid down and made in accordance with the provision of this scheme.

2. The building line in respect of all the streets shall be as shown in Map No.DSN/2 and specified in scheme III.

3. Boundary walls or fences alone shall be ^{Schedule II} created in the space between the building line and the edge of the adjacent street.

4. No boundary wall or fence erected between the building line and edge of the adjacent street shall be of a height greater than 15 M measured from the level of the centre line of such street; also where the level of the compound is higher than that of the road, this height may be exceeded so as to have a height of 1.5 M above the level of the ground of plot.

5. Open space requirements of a building shall be in conformity with the Kerala Building Rules ~~shall be in conformity with the Kerala Building Rules~~ in force unless otherwise provided for in the scheme.

6. Minimum of street parking space for motor vehicle shall be provided for various types of buildings specified in the Kerala Building Rules, in force unless otherwise specifically mentioned in these rules.

14. PROHIBITION OF BUILDINGS IN UNHEALTHY SITES

With a view to prevent contamination of water courses and channels due to the existence of burial grounds sewage tanks and pumping stations, treatments plants, insanitary or low lying lands, the responsible authority may refuse to sanction any building within portions of the area, in the vicinity of which, in his opinion the construction of building would be objectionable.

15. DRAINAGE

Sufficient means of effectual drainage and discharge of sewage shall be provided in every private street by the owners or occupiers of sites abutting thereof and every site and building shall be provided with suitable drains leading therefrom to the nearest street drain. All the sullage water shall be disposed off in such a way as to prevent it from running on to or stagnating on adjacent streets. It may be used for watering gardens and compounds if no nuisance is ^{created} erected thereby or allowed to flow into drains or channels on it having previously been treated sanitarily in the manner required by the responsible authority.

16. HOUSING SCHEMES

1. Housing schemes may be undertaken in conformity with the provisions of the scheme by the Authority or the Authority may enter into contract with Co-Operative housing societies or other housing agencies, to take up housing schemes with the previous sanction of the Chief Town Planner.

17. RECONSTRUCTION OF BOUNDARIES

1. Where necessary boundaries of sites or land shall be redistributed and plots reconstituted with the approval of the Chief town Planner in the manner prescribed in the Act (i) to suit the alignments of the proposed streets (ii) to provide frontage on streets (iii) to alter or improve the size and shape of any site or plot in order to render it more suitable for building purposes, (iv) to procure the transference of ownership of land or portion of land from one person to another and (v) to ensure a planned development of the area.

2. Proposals for redistribution or alteration or boundaries of sites or land or for reconstitution of plots or sites in the area shall be made, by the owner or owners concerned or by the Responsible Authority as the case may be, to the Arbitrator in accordance with the rules at any time unless the arbitrator, by notification specified any particular time or period when such proposals should be made to him.

18. ADVERTISEMENT

No form of advertisement other than that of the traders name and business exhibited on shops or notice exhibited in public buildings shall be permitted within the area unless otherwise approved by the Authority.

19. CLAIM FOR COMPENSATION

Any person whose property is injuriously affected by any refusal to grant permission applied for under section 23 of the Act in respect of all properties which have

increased or are likely to increase in value by the making of the scheme shall be made by the Authority to the Arbitrator in accordance with the rules within 36 months of the date of the scheme. The betterment contribution shall be levied and recovered in accordance with the provisions of section 24 and 25 of the Act every year at 10% of the increase in value for a period of 20 years.

2. Notwithstanding anything contained in the above sub-clause, the Authority may, with the previous approval of the Government, agree with any owner to receive a fixed payment either in a lumpsum or by instalments in lue of the betterment contribution.

21. POWER OF THE RESPONSIBLE AUTHORITY TO MAKE AGREEMENTS

Subject to the provisions of section 35 of the Act, the Responsible Authority may make any agreement with any person or body in furtherance of carrying out of the scheme or any matter in connection therewith provided that such agreement is not inconsistent with the scheme.

22. REGULATION OF SCHEME RULES

1. The responsible Authority may, if he thinks in particular case and subject to any conditions as he may impose, dispense with or modify, with the concurrence of the Chief Town Planner, any of the requiremets of the scheme other than the requirements made obligatory by any law provided that, it is satisfied that there are circumstances warranting such dispensation or modification.

2. The Government may in any particular case and subject to any condition as they may impose and in consultation with the Chief Town Planner dispense with or modify any or the requirements of the scheme other than the requirements made obligatory by any law and their decision shall be final..

23. EXECUTION OF THE SCHEME

1. The responsible Authority may, on the sanction of the scheme from Government, execute the scheme proposals in a phased manner. The Authority may co-ordinate with the Government departments and other agencies in the execution of the scheme proposals and may cause the cost of implementation of the scheme by various agencies to be included in the annual budgets of these agencies on a priority criteria.

2. Pending sanction of the scheme by Government the responsible authority may, after publication of the scheme and approval by the Authority, take up priority projects and necessary land acquisition after obtaining sanction for the same from the Chief Town Planner and the Secretary to Government..

3. After sanctioning of the scheme by Government the scheme will be in operation till such time the scheme is revoked or till another scheme is notified and published for the same area or part of the area included in this scheme.

4. After sanction of the scheme by Government, the Responsible Authority may allow reasonable time to any owner or person to carry out or execute any works or to fulfil his obligations under the scheme.

24. PENALTY

Any person who commits or knowingly permits a breach of any of the provisions of the scheme or who neglects or fails to comply with any of the provisions of the scheme of any orders, conditions, proceedings restrictions, limitations or terms made or imposed under or in pursuance of any or the provisions of the scheme, the rules or the Act shall, on conviction, be punished in accordance with the section 44 of the Act.

SCHEDULE

- i. Ownership and extent of land included in the Scheme in Form No.7.
- ii. List of new streets and widening of existing streets in Form No.8.
- iii. Land proposed to be acquired for the scheme in Form No.9.
- iv. Land proposed to be reserved in Form No.10.
- v. Estimate cost of the scheme in Form No.11.
