(a) General Provisions

1. All future developments and constructions shall be in conformity with the provisions of the Detailed Town Planning Scheme for Central Area, Kasaragod and the Kerala Municipality Building Rules in force, unless otherwise specified in these regulations.
2. Details regarding the nature of 'Uses permitted' and 'Uses restricted' in each zone are given below. In addition to the same, guidelines for regulating developments are also provided herein.
3. 'Uses Permitted' in a zone cover the uses that can be normally accommodated in the relevant zone. Such uses may be permitted by the Secretary, if in accordance with other relevant acts, rules and orders concerned in force.
4. In some cases it may be possible to permit some other uses also which are not likely to affect the quality and environment in a zone specified for a particular use. Such cases have to be individually studied based on their performance characteristics and special location factors. Such cases which come under this category are classified as 'Uses Restricted 1' and 'Uses Restricted 2'.
5. 'Uses Restricted-1' category deals with the uses that may be permitted by the Secretary with the concurrence of the Town Planner.

6. 'Uses Restricted-2' category deals with the uses that may be permitted by the Secretary with the concurrence of the Chief Town Planner.
7. Those uses which are not included under "Uses permitted' or 'Uses restricted' shall be treated as 'Uses Prohibited'.
8. Operational constructions as defined in the Kerala Town and Country Planning Act, 2016 shall be treated as permitted use in the scheme area.
9. Any use which is not explicitly included as 'Uses permitted' or 'Uses restricted' in a zone, but is of similar or ancillary nature to the 'Uses permitted' or 'Uses restricted' in a zone, may be permitted in such zone with the concurrence of the Town Planner.
10. Provisions with regard to Submission of Layout Plans, Approval of Layout Plans, F.S.I., Coverage, Exterior open spaces, Parking, Building Line, Access and other provisions as mandated in the Kerala Municipality Building Rules in force shall prevail over the respective provisions if any mentioned in these scheme rules, unless otherwise specified in the use zone regulations given in clause 10 (b).
11. If any portion of a zone is put to any 'Uses prohibited', before the sanctioning of this variation of the Detailed Town Planning scheme, such use shall be termed as non-conforming use.
12. A non-conforming use may be allowed to continue in its existing location and essential repairs and maintenance for the structure may be permitted provided that the said use create no adverse environmental influence in the zone. Addition, alteration or reconstruction if found necessary as part of any mitigation measures may be permitted for such uses with the concurrence of the Town Planner.
13. For all purposes of this scheme, land/area to be acquired for any use shall be treated as land/area to be reserved for such use.
14. Existing areas and structures of archaeological importance, agricultural uses and religious uses may be permitted to continue in all zones.
15. No provisions in this scheme shall prevent implementation of any project/ scheme of Central, State or Local Government and Government approved projects by quasi government agencies. Such projects shall be treated as permitted uses in all zones and shall conform to widening of roads or new road alignments envisaged in the scheme and other applicable statutes.
16. Provisions under the Disaster Management Act, Archaeological Sites and Remains Act, Coastal Zone Regulations, Aircraft Act 1934, Environment Protection Act 1986, Kerala Conservation of Paddy Land and Wetland Act and any other applicable statutes as amended from time to time will prevail over the respective provisions of this Scheme.

17. Silence zone, as prescribed by the Noise Pollution (Regulation and Control) Rules, 2000 as amended from time to time, shall be applicable to such areas under this Scheme
18. Disaster mitigation projects by competent authorities shall be permitted in all zones.
19. If no industry is developed in the designated industrial zone at the time of sanctioning of variation of this scheme, development activities may be decided considering the nearest developable zone with the concurrence of the Town Planner.
20. Zoning regulations are not intended to prohibit existing uses that have been lawfully established prior to the enforcement of these regulations. They are essentially intended to help the competent authority in taking decisions regarding granting or refusal of permissions for land use conversions and construction of buildings/structures or any other matter specifically mentioned in these regulations.
21. Expansion of existing Public and Semi Public Institutions and existing Industrial units including their incidental uses to adjacent plots shall be treated as permitted use irrespective of the zone in which such adjacent plot lies, subject to prevailing statutes.
22. Land upto a depth of 100m on both sides of the centerline of the roads, having an existing or proposed width of 12m or more, and 200m on both sides of the centerline of National Highway-66, and falling in 'Area reserved for Residential use', shall be treated as 'Area zoned for Mixed use (Commercial & Residential)'. .
23. Road marked as F-F, falling in Kasaragod village, between NH-66 and Nullippady road, shall be omitted and uses permitted/ restricted in the surrounding land use zone may be permitted in the plot by the Secretary with the concurrence of the Town Planner.
24. Any clarifications or interpretations of the scheme shall be issued by the Government in consultation with the Chief Town Planner concerned of Local Self Government Department Planning.
25. Large Scale development projects in an area 1 hectare or more and exceeding an investment of Rs.100 Crores, or which provide direct employment (after commissioning of the project) to the tune of not less than 500 may be permitted in all zones as per prevailing statutes, if not included in the permitted uses or restricted uses as per zoning regulation applicable. In such cases, the recommendation of a committee with constitution as below shall be obtained, subject to satisfying the procedures laid out here under and the Secretary shall comply with the same while issuing permit.

Also, adequate provision shall be made for supporting infrastructure such as water supply, sewerage, solid waste management, power supply, etc. Separate systems for management of solid waste and sewage shall be provided and maintained by the developer at his cost. The project shall be completed within a period of 5 years or as suggested by the

Committee.

25.1 Procedure to be followed
